Dear J.J.,

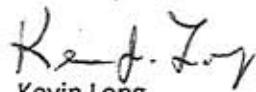

On behalf of The First Tee of Fort Worth, I want to thank you and the Henry House Foundation for your support of The First Tee and your work on the recent White Hot Nights Gala and Ben Hogan Invitational. Everyone affiliated with The First Tee is appreciative of your enthusiasm and belief in the work of our organization and we can't thank you enough for your devotion and commitment to building the Ben Hogan Learning Center for The First Tee of Fort Worth! Personally, I am extremely grateful for not only the funding but public support you provide The First Tee and for your desire to serve as a role model for the youth of our community. Please know that you and Lee are making a difference in the lives of thousands of children in our community for many years to come!

I look forward to catching up with you soon once your competitive season is over to give you a firsthand account of the progress on the Ben Hogan Learning Center and our program. At this writing, it looks like we will be able to break ground sometime before the end of 2010 and occupy the building by fall of 2011. I'm anticipating our groundbreaking ceremony to be sometime in early December and I'll forward you those potential dates via Laura Anderson as soon as possible as I hope that you will be able to attend.

My wife made an observation to me at the Gala that I want to pass on to you and Lee because it had great meaning to me and I think it will be significant to you as well. Erin said, "The most interesting thing about J.J. and Lee and the work of the Henry House Foundation is their ability to bring many factions of the Fort Worth community together and unite them in one common cause; and have a lot of fun doing it!" I have to say that pretty much summed up for me your approach to lending a helping hand to our community and bringing so many people together in an enjoyable atmosphere.

Thanks again for your wonderful support and I hope to see you soon. Best of luck in the remaining events on your PGA Tour schedule for 2010 and please give my best to your family and everyone involved with the Henry House Foundation. We look forward to another great event in 2011!

Sincerely,

  
Kevin Long
